**Reference:** Section L Para 3.1.3.3.4/ Section M Para 1.2.

**Question 1:** There appears to be a disconnect between sections L and M regarding Volume 2, Sub-factor Exercises and Experiments. In section L paragraph 3.1.3.3.4 there is a comment that states, “ This sub-factor shall be addressed by the offeror for the Advanced Concepts product area. For other product areas, this sub-factor may be addressed by the offeror, if applicable to the program being described in the 24 page response.” But In section M paragraph 1.2.4, the comment is, “This sub-factor applies To the Advanced Concepts and Simulations and Simulation Systems Product areas. The offerors will be evaluated on their ability to successfully conduct stand-alone and/or system integration exercises and experiments.” Have I misinterpreted one of these paragraphs?

**Answer:** Section M is being revised to correspond to the instructions in Section L, paragraph 3.1.3.3.4.

**Required Change:** Section M.3.1, paragraph 1.2.4 is revised to read as follows:

“1.2.4 Sub-Factor 1.2.4 - Exercises and Experiments. This sub-factor applies to the Advanced Concepts product area and other product areas, as applicable. The offerors will be evaluated on their ability to successfully conduct stand-alone and/or system integration exercises and experiments.”
